
LIBERTY WEALTH SERVICES

Liberty Wealth Services

Liberty Wealth goes beyond traditional deposit and loan services. We provide the personalized, one-on-one service that becomes essential after a certain level of wealth. Our approach focuses on finding creative solutions to complex situations, helping affluent individuals protect and manage their wealth effectively.

At Liberty Wealth, we strive to build strong relationships by understanding your unique financial needs. Your private banker will work with you to identify the best ways to protect and maximize your wealth, helping you achieve your long-term financial goals by selecting the most suitable products and services from our comprehensive range, tailored to your personal needs.

Liberty Wealth Advantages

- **Tailor-Made Solutions:**
Exclusive products and services designed to meet your specific needs.
- **Streamlined Processes:**
Simplified and efficient procedures for your convenience.
- **Exceptional Comfort:**
A premium atmosphere that redefines your banking experience.
- **Exclusive Privileges:**
Access to unique offers and other exclusive services.
- **Confidentiality Assured:**
Your privacy and security are our highest priorities.

Fast Track – Priority Airport Access

Save time and avoid long queues with the Fast Track service, offering priority access through airport formalities and border procedures.

Available at over 100 airports globally, including in Europe and Turkey, this service ensures you breeze through the airport like a priority passenger.

How to Use Fast Track:

- Book a Fast Track pass in the Mastercard Travel Experiences application (iOS, Android) or website: <https://travelexperiences.mastercard.com/>
- Choose your desired airport, number of travelers, and time slot
- Receive your Fast Track pass in app or via email
- Go to the Fast Track zone in your terminal
- Present your Fast Track pass

For easy booking and access to Fast Track services, download the app.
